28<sup>th</sup> May 2020

### *Announcement of reopening of JILAF office*

To whom it may concern:

Warm greetings from Tokyo, Japan.

Since the declaration of a national emergency on COVID-19 was lifted 25<sup>th</sup> May, it gives us great pleasure to inform you that JILAF office will be reopened from the 1<sup>st</sup> of June by adding an additional layer of health and hygiene initiatives against COVID-19. This series of health and safety standards JILAF develops will bring peace of mind to everyone including our staff. Thus we have the pleasure of coming back to office to resume work in rotating shift while keeping “work from home” available.

Yet despite the adverse impacts, we feel greatly inspired by the different ways people around the world are adjusting and supporting each other with immense optimism – as we are all doing at JILAF, in preparation to resume our international activities.

We wish you continued wellbeing in this difficult time all over the globe.

Yours faithfully,

Secretariat on behalf of the President
